

Maximum distances in rural enterprise zones beyond the default limitations of ‘12’ and ‘5’ lineal miles, if entirely or partially inside “sparsely populated counties.”

“Sparsely populated county”= Any Oregon county except Benton, Clackamas, Marion, Multnomah, Washington or Yamhill counties.

No enterprise zone may exceed 12 square miles in total area (above ordinary high water mark of navigable bodies of water).

*May be extended even farther by special waiver of the Director of the Oregon Economic & Community Development Department
