**SUBJECT: Issuance of Annual Certification for the Taxable Income Exemption of
*Oregon Investment Advantage***

Dear Mr. Davis and Ms. Xu:

It is a pleasure to have reviewed the subject application under ORS 285C.506, as received with payment of the \$100 fee.

I am happy to report on behalf of Business Oregon that your Prineville data center facility is certified for exemption under ORS 317.391, respective to your company's income tax year ending December 31, 2014, for which your company would claim the exemption on the State of Oregon corporate tax return, Form 20, as a subtraction (code 342).

To utilize this state tax deduction for any subsequent year, up to six more times, you would again apply for annual certification within 30 days after the end of that income tax year to this agency. You can download and fill out the application available at www.oregon4biz.com. There is a \$100 filing fee each time with this application.

Thank you, once more, for your use of this program and for choosing Oregon. If you have any questions, please do not hesitate to contact me: 503-986-0140 or arthur.fish@state.or.us.

Sincerely,

A handwritten signature in blue ink that reads "Arthur L. Fish".
