**Strategic Reserve Fund
Awards 2015 to 2017
Disbursements to Date**

Project Number	Project Name	County(ies)	Award	Type	Disbursed to Date	Describe this project
15-17-654	Small Business Emissions Reduction		240,000.00	Loan	60,000.00	Provision of assistance to businesses to significantly reduce toxic emissions from their operations in order to comply with DEQ regulations that are expected to be established in the next 6-12 months.
15-17-656	2016 U.S. Olympic Team Trials - Track & Field	Statewide	200,000.00	Grant	200,000.00	
15-17-657	Pentagon Federal Credit Union	Lane	200,000.00	Loan	200,000.00	Assistance to provide the Eugene facility a competitive edge as the company evaluates the efficiencies and cost-effectiveness of its customer service facilities around the United States in order to determine whether to consolidate operations. Historically, it was vital to have a West Coast presence to address time zone changes; however, online or electronic documents now allow the company to explore other alternatives.
15-17-659	Oregon Manufacturing Innovation Center	Statewide	2,500,000.00	Loan	2,500,000.00	Provision of a bridge loan for the immediate acquisition of property that will house a center focused on manufacturing research and development in order to shorten the customary timeframe from innovation to production.
