Sean McMullen, Director Enterprise and IT Strategy & Policy

Carla Wade, Interim Director of Data, Operations and Grants Management

**February 28 2019 Presentation to the
Oregon Broadband Advisory Commission**

Updates

Overview and Introductions: Carla

Connecting Oregon Schools Fund: Michael

Information Technology Updates: Sean

Teaching Learning and Assessment Updates: Carla

SETDA Updates

Questions

Connecting Oregon Schools Fund

- Started with HB 4023
- Purpose: Increase federal investment in infrastructure
- 2018
- Current Status
- Priority List

Connecting Oregon Schools Fund

Priority List

- High Poverty
- Small
- Rural
- Bad Connection

- Low Poverty
- Large
- Urban
- Good Connection

Priority Plan Calculation

Data Element	Purpose	Data Source
Free & Reduced Lunch	Poverty	ODE Child Nutrition
Number of Schools	Size	ODE Data
Remote Small Elementary School	Rural	ODE SSF
Connection Speed	Quality of Connection	Districts
Type of Connection	Quality of Connection	Districts

Priority Calculation

*$(FRL \% * 100) - \text{No. of schools in district} + \text{SSC Factor} + \text{Type of Internet} + \text{Connection Speed}$*

Element	Weight
F&R Percentage	Actual Number
# of Schools	Actual Number
SSC Factor	+10
Type of Internet	+5 for DSL or Satellite Connection 0 for Undefined Connection -5 for Cable Connection
Connection Speed	+5 for 25 Mbps or less 0 for 25 Mbps to 100 Mbps -5 for over 100 Mbps

Notes on Calculation

- Charter schools use district data, except for school specific information
- Districts with same rank will use ADMr to differentiate, smaller = higher rank
- Information collected on applications
- Consortia will use averages

Information Technology

- Office of Civil Rights Web Accessibility
 - ODE Corrective Action Plan
- E-Rate applications
 - About 145 entities posted FCC Form 470s
 - About 58 – FCC Form 471s posted
 - 13 special construction projects confirmed
- Outreach to possibly under-served schools

Teaching, Learning and Assessment

- HB 2022 Changes the name of the Oregon Virtual School District to Oregon Digital Learning Academy
 - ODLA continues to provide online course access to over 1040 rural schools students each year
 - SketchUp Pro licenses
 - Canvas LMS discount pricing contract
- Oregon Educator Network
- Google Master contract renewal
- Data literacy
 - Every Day Matters
- Coming Soon:
 - Digital Learning Advisory to review digital learning standards (ISTE and Computer Science)
